27 February 2007

Dear Sirs,

We refer to the Notification of Missing Requirements Under 35 U.S.C. 371 on the above application and wish to advise that a Declaration of Inventorship and Power of Attorney forms were filed in conjunction with the PCT application on 19 December 2004. Copies of these executed documents are attached.

While it appears that these documents should already have been received by the USPTO from WIPO we attach our payment for the late fee of US\$65.00. However, we request that in light of the above, that you do not debit our visa card for this amount if the documents filed through the PCT application are valid.

Please charge any deficiency in the fees due to our Deposit Account No. 503458 in the name of Molins & Co.

Regards,

Michael Molins
